Volunteers of America®
CRISIS RESPONSE PROGRAM

On August 6, 2016, the St. Tammany Parish Deputies' Association, in conjunction with St. Tammany Parish Sheriff's Office Reserve Division, will host a golf tournament to help bring awareness to the increasing number of suicides which occur in St. Tammany Parish each year.

In 2015, there were 40 suicides in our Parish. Since 2002, there have been over 476 suicides. That's 476 families whose lives have been devastated by an act that could have been prevented.

The purpose of this event is to help provide awareness to our citizens of the many programs available for the prevention of suicide. Some of those programs include the Volunteers of America (VOA) and the St. Tammany Outreach for the Prevention of Suicide (S.T.O.P.S.). These programs offer services not only to educate the public about the prevention of suicide, they also offer counseling to victims of attempted suicide as well as to the families of those who have committed suicide.

Any contributions your organization could provide to help make this tournament possible will be greatly appreciated.
