

## Become a Star Sponsor!

**Honor a child who's life was changed through the miracle of adoption**

Since 1942, Volunteers of America Southeast Louisiana has created forever families through adoption! We honor adopted children as STAR SPONSORS at our annual GolfStar Classic Tournament, which benefits our Adoption and Maternity Program.

You can honor your child as a STAR SPONSOR and join in our celebration of forever families throughout the region! Send us a jpeg photo of your STAR SPONSOR so your child can be added to our *Wall of Honor* prominently displayed throughout the tournament. Your \$50 tax-deductible donation not only honors your child, but celebrates all the forever families you've helped create through Volunteers of America.

Thank you for your support in creating forever families across Southeast Louisiana!

**Remember to submit your sponsorship and jpeg photo to Lori Arceneaux at [larceneaux@voasela.org](mailto:larceneaux@voasela.org) by February 26, 2021!**
